Happy Holidays!

When you are the neediest, *He is the most sufficient.*
When you are completely helpless, *He is the most helpful.*
When you feel totally dependent, *He is absolutely dependable.*
When you are the weakest, *He is the most able.*
When you are the most alone, *He is intimately present.*

When you feel you are the least, *He is the greatest.*
When you feel the most useless, *He is preparing you.*
When it is the darkest, *He is the only Light you need.*
When you feel the least secure, *He is your Rock and Fortress.*
When you are the most humble, *He is most gracious.*

When you can't,
HE CAN!

New CNG Gas in Columbus, NE & Lincoln, NE Offer More Than 40% Savings Over Traditional Fuels!

November 6th, Stirk Compressed Natural Gas and Sapp Bros. celebrated the grand opening of CNG gas at the Columbus, NE Sapp Bros. Travel Center location. Don Quinn, president of Sapp Bros. Travel Centers Inc., said the company is excited to bring natural gas to the market and offer a cheaper, domestically produced fuel option for drivers.

Currently, Sapp Bros provides natural gas (CNG) at the Sapp Bros Travel Center at 6001 Cornhusker Highway in northeast Lincoln and the Columbus, NE Sapp Bros. Travel Center is located at 517 23rd St East, right off Highway 30. Sapp Bros. has plans on adding additional CNG locations during the 2015 year.

Natural gas powers more than 12 million vehicles worldwide, but only about 250,000 of them are in the United States. There are about 500 public CNG filling stations in the U.S., with many more planned or under construction.

(Above) Chad Leriger, the director of operations with Stirk CNG in Lincoln, fills his truck with compressed natural gas after a ceremonial opening of new pumps at the Sapp Brothers Travel Center at 6001 Cornhusker Hwy in Lincoln, NE.
