Jerry Martinez is the Service Center Manager at our newest Sapp Bros location in Harrisonville, MO.

He joined the Sapp Bros team in August 2015 at our Omaha, Nebraska location with 25 plus years of automotive shop experience. During his time in Omaha, he was promoted to help manage our truck service center and is now thrilled for the opportunity to open the Service Center in Harrisonville.

Jerry was born in Clovis, New Mexico. He graduated from Bellevue East High in Bellevue, Nebraska. After graduation he served 9 years in the US Navy as an Aircraft Mechanic and was deployed 3 times. While in the Navy, he launched and recovered aircrafts onboard the USS Carl Vinson, a nuclear aircraft carrier. Jerry has been married for 32 years. He has 2 daughters and 3 grandchildren. His hobbies include outdoor sports, boating, fishing and walking his dog.

Jerry says he loves his job at Sapp Bros and enjoys helping customers solve their automotive and truck needs. He is very excited to get involved with the local community in Harrisonville as well as build new relationships with our over the road customers.
